

SUPPORT MESSAGE BY

**YB GOBIND SINGH DEO,  
MINISTER OF DIGITAL MALAYSIA**

I am delighted to extend my heartfelt support for CyberDSA 2025, which will be held from 30<sup>th</sup> September to 2<sup>nd</sup> October 2025, at the Malaysia International Trade and Exhibition Centre (MITEC), Kuala Lumpur. This prestigious event marks a significant milestone in our collective journey towards advancing cybersecurity and digital resilience.

CyberDSA 2025 stands as a pivotal event, reinforcing Malaysia's role at the forefront of global cybersecurity. As cyber threats become more sophisticated and pervasive, the importance of a robust, forward-looking cybersecurity strategy cannot be overstated.

As Malaysia continues to embrace digital transformation, the role of cybersecurity becomes increasingly crucial. CyberDSA 2025 represents a vital platform for sharing knowledge, fostering innovation, and forging strong partnerships in the field of cybersecurity. It is through events like these that we can collaboratively address the evolving cyber threats and build a safer digital ecosystem for all.

Malaysia is committed to setting a high standard in cybersecurity, focusing on collaborative efforts that enhance our capabilities and fortify our digital infrastructure. CyberDSA 2025 will be the platform where nations and industries converge to forge alliances, innovate, and build the future of digital security. This event will be a catalyst for transformative change, driving forward the global cybersecurity agenda.

I urge every stakeholder to engage with renewed vigour and ambition. Our mission is not just to keep pace with the evolving digital landscape but to shape it—ensuring that Malaysia remains a beacon of leadership in cybersecurity.

Together, at CyberDSA 2025, we will define the standards of digital safety for the world, cementing our nation's status as a leader in this critical domain. Let us advance with purpose, innovation, and an unwavering commitment to securing our collective digital future.

Wishing CyberDSA 2025 great success and looking forward to the impactful discussions and innovations that will emerge from this distinguished gathering.
