

CYBER DSA 2025

30 SEPT - 2 OCT 2025 | MITEC, KUALA LUMPUR

**PIONEERING THE FUTURE:
BUILDING A RESILIENT AND
TRUSTED DIGITAL NATION**

SHOW INSIGHTS

DRIVING CYBERSECURITY EXCELLENCE AT CYBERDSA 2025

CyberDSA 2025 returns for its third edition from 30 September to 2 October 2025 at the Malaysia International Trade and Exhibition Centre (MITEC), Kuala Lumpur. Held under the auspices of Minister of Digital, YB Gobind Singh Deo, this flagship event stands as a pivotal meeting point for cybersecurity professionals, policymakers, and industry leaders.

With the theme “Pioneering the Future: Building a Resilient and Trusted Digital Nation,” the 2025 edition focuses on advancing strategies, policies, and technologies that address evolving cyber threats. Tailored for executives and experts across the ecosystem, CyberDSA continues to play a central role in strengthening cyber defence capabilities and shaping the digital security agenda.

Key features include the Malaysia Cyber Security Award, honouring individuals and organisations for outstanding contributions, and Siber Siaga 2025, offering practical workshops designed to enhance cyber readiness.

Attendees can look forward to an immersive programme of high-level discussions, keynote addresses, and interactive sessions that deliver actionable insights. Alongside the conference, the exhibition showcases the latest innovations, solutions, and services, providing a dynamic environment for networking, collaboration, and strategic partnerships. CyberDSA 2025 reaffirms its role as a catalyst for progress, driving the exchange of knowledge and the adoption of trusted practices that safeguard the digital future.

THE GOVERNMENT OF MALAYSIA EXTENDS ITS UNWAVERING SUPPORT TO CYBERDSA 2025

YB Gobind Singh Deo
Minister of Digital Malaysia

It gives me great pleasure to support the Cyber Digital Services, Defence & Security Asia 2024 (CyberDSA'24). This is a landmark event that will see interesting insights from industry experts and stakeholders. This event will naturally provide a platform for potential collaborations and possible solutions to cybersecurity challenges.

General Tan Sri Hj Mohd Nizam Bin Hj Jaffar
Chief Of Defence Force, Malaysia

I am honoured to extend my full support for CyberDSA 2025, a platform bringing together cybersecurity, defence, and digital technology professionals. From 30 September to 2 October 2025, Kuala Lumpur will become the epicentre of global discussions on cyber defence and national security, bringing together military leaders, government agencies, industry pioneers, and academia to collectively shape the future of our digital landscape.

Rear Admiral Dato' Pahlawan Mohd Fadzli Kamal bin Mohd Mohaldin
Director General of Defence Cyber and Electromagnetic Division

I am privileged to announce my strong support for CyberDSA 2025, set to be held from September 30th to October 2nd, 2025, at the Malaysia International Trade and Exhibition Centre (MITEC), Kuala Lumpur. This event is vital for fortifying Malaysia's cybersecurity capabilities and ensuring the security of our national interests in a rapidly evolving digital environment.

Dato' Ts. Dr. Haji Amirudin Bin Abdul Wahab
Chief Executive Officer, Cybersecurity Malaysia

I look forward to witnessing the impactful discussions, innovative solutions, and collaborative spirit that will emerge from this prestigious exhibition. CyberSecurity Malaysia is committed to supporting initiatives that strengthen our national and global cybersecurity posture, and we are honoured to be a part of this milestone event.

Ir. Dr. Megat Zuhairy Bin Megat Tajuddin
Chief Executive, National Cyber Security Agency of Malaysia (Nacsa)

I am pleased to extend my wholehearted support for the 3rd edition of Cyber Digital Services, Defence and Security Asia (CyberDSA) 2025 exhibition and forum. As the Chief Executive of the National Cyber Security Agency of Malaysia (NACSA), I recognize the significance of this event in advancing our collective efforts to enhance cyber security across the nation and beyond.

CYBERDSA 2025 HIGHLIGHTS

SPECIAL PROGRAMS AND ACTIVITIES

SPECTACULAR KEYNOTES & OPENING CEREMONIES

Get ready for a momentous start with two remarkable opening ceremonies! Join the grandeur of the CyberDSA 2025 and Siber Siaga 2025 Opening Ceremonies, where the Honorable Ministers from the Ministry of Digital and Ministry of Defence, alongside other industry captains, will take the stage to deliver compelling keynote addresses on pressing issues shaping the digital security landscape. Don't miss these landmark events!

MAIN STAGE CONFERENCE

Gather alongside industry luminaries, cybersecurity specialists, and forward-thinkers as they come together to explore leading-edge strategies, exchange valuable insights, and confront the ever-evolving challenges of the digital realm. Engage in thought-provoking discussions designed to shape the future of cybersecurity, while fostering innovation and collaboration across the field.

FLASH TALKS

Short. Sharp. Insightful. Flash Talks deliver cutting-edge perspectives from the industry's brightest minds in a fast-moving format. Each session dives straight into the latest trends and strategies, giving participants actionable ideas to strengthen their cybersecurity approaches. Quick yet impactful, these talks are designed to keep you ahead in the digital race.

CLOSED DOOR BRIEFINGS

An arena where experts from diverse fields convene to delve into the intricacies of cyber threat intelligence. Participants engage in detailed discussions, exchanging valuable insights and specialised knowledge to tackle the evolving challenges in cybersecurity.

CYBERDSA 2025 HIGHLIGHTS

FOREIGN VIP DELEGATION PROGRAM

In collaboration with the Defence Cyber and Electromagnetic Division (DCED) and CyberSecurity Malaysia (CSM), CyberDSA 2025 welcomes distinguished delegations from across the region and beyond. Through exclusive invitations, this program ensures the participation of high-level representatives, fostering regional cooperation and strengthening international partnerships.

INTERNATIONAL BUSINESS MATCHING

The CyberDSA B2B program empowers companies by streamlining the process of discovering potential business collaborations. This initiative enables participants to efficiently identify and connect with key partners, facilitating the expansion of their market reach into the Southeast Asia region. By leveraging this program, businesses can forge valuable connections, explore new opportunities, and enhance their presence in this rapidly growing market.

CYBERLAB FOR STARTUPS

Engage with digital entrepreneurs and dynamic startups exploring new market frontiers. CyberDSA offers an ideal platform for fresh companies to secure investors, build partnerships, and accelerate growth.

HACKATHON

Take part in the CyberDSA 2025 Hackathon, where teams compete to solve real-world cybersecurity challenges. Demonstrate your technical expertise, collaborate with peers, and develop breakthrough solutions in this high-energy arena driving the future of digital defence.

CYBER SECURITY COMMUNITIES

The Cyber Security Communities at CyberDSA 2025 create a dynamic hub for professionals, researchers, and enthusiasts to converge. Participate in thought-provoking discussions, share expertise, and build meaningful connections within dedicated communities advancing cybersecurity strategies and innovations.

E-GAMES

Step into the thrill of E-Games at CyberDSA 2025, where digital athletes and gaming enthusiasts go head-to-head in a showcase of skill, speed, and strategy. Experience the energy, the competition, and the innovation that connect the world of gaming with the future of cybersecurity.

STELLAR EVENT ALONGSIDE CYBERDSA 2024

SIBER SIAGA 2025

Siber Siaga continues to serve as a key knowledge-sharing platform, championing the Whole of Government, Whole of Society (WoGoS) approach. Organised in collaboration with the Defence Cyber and Electromagnetic Division (DCED), it brings together communities, practitioners, and stakeholders to share insights on cybersecurity and technology, fostering greater awareness and strengthening collective readiness. This includes the Military, Law Enforcement, Intelligence & Security Agency Conference (MEISAC), an exclusive closed-door programme dedicated to advancing cooperation among defence, security, and enforcement communities.

MALAYSIA CYBER SECURITY AWARD

The Malaysia Cyber Security Award recognises individuals and organisations that have made exceptional contributions to Malaysia's cyber security or information security. The awards are conferred in recognition of their innovativeness, commitment, industry/product/service leadership, and sound business strategies.

The Malaysia Cyber Security Awards are intended not only to recognise the efforts of information security professionals, homegrown SMEs and global organisations, but also to encourage innovation and spark strategic alliances within the local security and ICT industry.

ASEAN CYBER DEFENCE NETWORK (ACDN)

Malaysia is proud to once again host the ASEAN Cyber Defence Network (ACDN) Meeting during CyberDSA 2025, reinforcing its commitment to regional cyber defence collaboration. The meeting will focus on advancing the ACDN Portal and implementing a ten-year roadmap, with participation from the Defence Cyber and Electromagnetic Division (DCED) of the Malaysian Armed Forces and delegates from all 10 ASEAN member states.

This gathering not only strengthens geopolitical ties but also provides an avenue for networking with industry leaders, engaging in CyberDSA programmes, and highlighting Malaysia's pivotal role in shaping ASEAN's cyber defence strategies.

BUSINESS CONTINUITY DISASTER RECOVERY SYMPOSIUM (BCDR)

The BCDR Symposium delivers two days of intensive training and dialogue with C-suite leaders, crisis experts, regulators, and AI innovators. With a focus on business continuity, IT disaster recovery, crisis communication, regulatory compliance, and the role of AI, this symposium provides a high-value platform for leaders across BFSI, GLCs, telcos, critical infrastructure, and GovTech. Participants will gain insights from real-world case studies, strengthen their leadership strategies, and build a future-ready approach to resilience.

OFFSEC

OffSec, a global leader in cybersecurity training, will conduct a specialist programme entitled "Pivot, Escalate, Compromise: The Art of Network Penetration Testing." This training is designed to equip participants with practical expertise in advanced penetration testing techniques, providing valuable skills to navigate complex security environments and reinforce organisational defence.

LIST OF INVITED VVIPs

JAPAN

- **Director General for National Center of Incident Readiness and Strategy for Cybersecurity**
Cybersecurity Japan (NISC)
- **Chairman**
Japan Network Security Association (JNSA)

JORDAN

- **Head of the National Center for Cyber Security**
National Cyber Security Center

LAOS

CONFERENCE

The CyberDSA 2025 Conference brings together global leaders, policymakers, and industry professionals to tackle the most pressing challenges in cybersecurity. It is more than a meeting of minds, it is a platform to share knowledge, exchange perspectives, and strengthen collaboration in building secure and resilient digital ecosystems.

Over three days, the discussions will look at how artificial intelligence and international alliances are shaping the future of digital defence, confront the rise of cyber command and quantum threats that are redefining security at both national and regional levels, and focus on safeguarding the financial sector by enhancing resilience and response readiness. With insightful forums, renowned speakers, and meaningful dialogue, CyberDSA 2025 sets the direction for advancing cybersecurity and shaping a trusted digital future.

AVAILABLE FACILITIES AND SERVICES PROVIDED DURING THE EVENT

For the convenience of all patrons, the following facilities & services are provided during CyberDSA 2025 :

ORGANISER OFFICE

The Organisers' Office located at Hall 7, it is operational throughout CyberDSA 2025

EXHIBITOR SERVICE COUNTER

Exhibitors required to collect their passes at the Registration Counter located at Hall 5, Level 2

FIRST AID ROOM

The First Aid Room is located at Paramedic Room, Level 1, South Entrance

MUSLIM PRAYER ROOM

Muslim Prayer Room is located at Level 2, North Wing, MITEC

FOODS & BEVERAGES

Garden Court Cafe, Level 1, North Entrance

CONTRACTORS SERVICES

Contractor Services located at registration counter located in Exhibition Hall 6, Level 2

CAR PARKS

Visitors easy access from the North and South entrances to our Basement 1 and 1A security-patrolled parking bays by our appointed parking operator ParkRite

VISITORS' REGISTRATION COUNTERS

Visitors' Registration stations will be operational at Hall 6, Level 2

- **For Pre-Registered Visitor**
Pre-Registered Visitors are to present their 'pre-reg' verification code at the Pre-Registration stations.

- **For Walk-In Visitors**
Walk-In Visitors (who are eligible) are required to - fill up the 'On-Site Registration' form & proceed to the On-Site Registration kiosk.

HOW TO GET TO MALAYSIA INTERNATIONAL TRADE AND EXHIBITION CENTRE (MITEC), KUALA LUMPUR

RAPID ON-DEMAND DROP-OFF: MITEC

Book your ride using the Rapid On-Demand app for direct, flexible transport to MITEC.

BY TAXI OR E-HAILING (GRAB, AIRASIA RIDE, MAXIM, ETC.) DROP-OFF: MITEC

Simply set your drop-off location as MITEC, Kuala Lumpur. The main entrance will lead you directly to the venue concourse.

MASS RAPID TRANSIT (MRT) DROP-OFF: SEMANTAN MRT STATION (KAJANG LINE)

Disembark at Semantan MRT Station (MRT Kajang Line). From the station, continue your journey by taxi or e-hailing service directly to MITEC.

BY LIGHT RAIL TRANSIT (LRT) DROP-OFF: KL SENTRAL (KELANA JAYA LINE)

Take the Kelana Jaya Line and alight at KL Sentral. From KL Sentral, continue by taxi or e-hailing service to MITEC.

BY CAR / SELF-DRIVE

MITEC is easily accessible via DUKE Highway, Jalan Kuching, and Jalan Duta. Parking facilities are available at the venue. For accurate navigation, search for "Malaysia International Trade and Exhibition Centre (MITEC)" on Google Maps or Waze.

BY BUS (RAPIDKL / FEEDER BUS)

Several feeder buses operate from KL Sentral and surrounding MRT/LRT stations. Please check the RapidKL app or website for the latest routes connecting to MITEC.
