WELCOME MESSAGE

TAN SRI ASMAT KAMALUDIN
CHAIRMAN,
AEROSEA EXHIBITIONS SDN BHD

Dear Esteemed Participants and Honoured Guests,

On behalf of AeroSEA Exhibitions Sdn Bhd, it is my distinct honour and privilege to extend a warm welcome to each of you to the 3rd edition of Cyber Digital Services, Defence and Security Asia (CyberDSA 2025). We are delighted to host you at this pivotal gathering, convening the brightest minds and leaders in cybersecurity from across the globe.

This year, CyberDSA takes place under the historic backdrop of Malaysia's ASEAN Chairmanship in 2025, further underscoring its role as a regional and global platform to strengthen cooperation in digital trust, cyber defence, and critical infrastructure protection. The theme, "Pioneering the Future: Building a Resilient and Trusted Digital Nation," reflects our collective responsibility to confront the fast-changing cyber landscape with vision, collaboration, and innovation. The three-day event will feature keynote addresses, high-level panels, technical sessions, and an expansive exhibition floor showcasing the latest technologies and solutions from across the industry.

As participants, your presence underscores the importance of this event and reinforces our shared commitment to advancing global cyber and digital security. We encourage you to actively engage in discussions, exchange insights, and build partnerships that will shape the future of our interconnected world.

We extend our deepest appreciation to the Government of Malaysia, in particular, the Ministry of Digital, the Malaysian Armed Forces, the Royal Malaysia Police, the National Cyber Security Agency (NACSA), and the Malaysia Convention & Exhibition Bureau (MyCEB), for their invaluable support. We are especially grateful to our leading organisations, the Armed Forces Defence Cyber and Electromagnetic Division (DCED) and CyberSecurity Malaysia (CSM), whose collaboration has been instrumental in bringing CyberDSA 2025 to life. Together, these partnerships are helping to build the foundations of a safer, more resilient, and trusted digital ecosystem for Malaysia, the region, and beyond.

Once again, welcome to CyberDSA 2025. We look forward to your valuable contributions and to a productive and inspiring event.

WELCOME MESSAGE

NADZEEM ABDUL RAHMAN
EXECUTIVE DIRECTOR,
AEROSEA EXHIBITIONS SDN BHD

Esteemed Participants and Honoured Guests,

It is with great enthusiasm that we open the doors to the 3rd edition of Cyber Digital Services, Defence and Security Asia (CyberDSA 2025). From 30 September to 2 October 2025, MITEC Kuala Lumpur will transform into a hub of innovation, dialogue, and discovery — bringing together industry experts, policymakers, innovators, and practitioners who are shaping the future of cybersecurity and digital resilience.

This year's edition takes place under the historic backdrop of Malaysia's ASEAN Chairmanship in 2025, amplifying CyberDSA's role as a key regional and international platform for strengthening digital trust, cyber defence, and critical infrastructure protection. Anchored by the theme, "Pioneering the Future: Building a Resilient and Trusted Digital Nation," the event underscores our shared responsibility to confront the challenges of an increasingly complex cyber landscape while advancing digital trust, innovation, and collaboration.

CyberDSA 2025 brings together over 150 exhibitors from 15 countries, more than 100 distinguished speakers, and an anticipated 8,000 trade visitors. Across three days, you will experience a vibrant programme featuring keynote sessions, high-level forums, and technical tracks alongside a dynamic exhibition floor. Highlights include Flash Talks, the Malaysia Cybersecurity Awards & Gala Dinner, Capture the Flag and E-Gaming competitions, as well as closed-door sessions designed to spark dialogue and deliver actionable outcomes.

Your participation is vital to this journey. By engaging in discussions, exploring technologies, and forging new connections, you help build digital trust and contribute not only to the success of CyberDSA 2025 but also to the collective effort of creating a secure and resilient digital ecosystem for our region and beyond.

We extend our gratitude to our supporting organisations, partners, exhibitors, and sponsors, whose collaboration and commitment make this event possible.

We wish you a productive and rewarding experience at CyberDSA 2025. **Selamat Datang — and together, let us shape a future built on resilience and digital trust.**
