KUALA LUMPUR: CyberDSA 2025, a premier cybersecurity event in the region, is set to draw over 8,000 trade professionals to its three-day event from Sept 30 to Oct 2, 2025.

Themed "Pioneering the Future of a Resilient Digital Nation," the fourth annual edition was officially launched today by Deputy Digital Minister Datuk Wilson Ugak Anak Kumbong.

The event will host 150 exhibitors from 30 countries, featuring industry leaders like Recorded Future, Measat, Gigamon, Ofisgate, Exabeam, and AML Systems.

Key topics to be covered include blockchain, cryptocurrency and database security, the Internet of Things and application security, incident response, and the evolving role of generative artificial intelligence.

The three-day program will feature satellite forums, a hackathon, Cyber Labs for emerging talent, and dedicated sessions designed to share the latest industry trends and technological advancements.

Additionally, the event will host key memorandum of understanding signing ceremonies aimed at formalising strategic partnerships among cybersecurity
