DRIVING CYBERSECURITY EXCELLENCE AT CYBERDSA 2024

CyberDSA 2024 returns for its 2nd edition from August 6-8 at the Kuala Lumpur Convention Centre. Under the auspices of Ministry of Digital, this event is a pivotal gathering for cybersecurity professionals. The focus is on addressing the latest trends and emerging threats, offering vital insights and solutions to navigate the ever-evolving cyber and digital landscape.

Tailored for cybersecurity professionals and executives across the industry, CyberDSA 2024 is a cornerstone event in advancing digital services, cyber defence and security. The conference theme, "Navigating Tomorrow's Cyber and Digital Frontier," underscores its commitment to exploring cutting-edge strategies and innovations. Moreover, it highlights the Malaysia Cyber Security Award, recognising exceptional contributions to cybersecurity, and features Siber Siaga 2024, offering practical workshops to bolster cyber readiness.

Attendees can expect a dynamic platform at CyberDSA 2024, fostering networking among industry leaders, policymakers, and experts. Through high-level discussions, keynotes, and interactive workshops, participants gain actionable knowledge and insights. The event also showcases the latest technologies, affirming its role as a catalyst for advancing cybersecurity solutions and collaborations.

MAKING SENSE OF THE DIGITAL FRONTIER

THE GOVERNMENT OF MALAYSIA EXTENDS ITS UNWAVERING SUPPORT TO CYBERDSA 2023

YB Gobind Singh Deo
Minister of Digital Malaysia

It gives me great pleasure to support the Cyber Digital Services, Defence & Security Asia 2024 (CyberDSA'24). This is a landmark event that will see interesting insights from industry experts and stakeholders. This event will naturally provide a platform for potential collaborations and possible solutions to cybersecurity challenges.

YB Datuk Wilson Ugak Kumbong
Deputy Minister of Digital Malaysia

It is heartening to witness the dedication of experts, professionals and organisations who have come together at CyberDSA 2024. Such collaborative efforts will undoubtedly contribute to building a more secure and resilient digital ecosystem for tomorrow. Thank you and may CyberDSA 2024 be a resounding success in our shared pursuit of a more secure digital future.

**General Tan Sri Dato'
Seri Mohammad Ab Rahman**
Chief of Defence Force, Malaysia

I wish to express my unwavering support for the upcoming 2nd edition of Cyber Digital Services, Defence and Security Asia 2024 (CyberDSA 2024), scheduled to be held from 6 to 8 August 2024 in the vibrant city of Kuala Lumpur, Malaysia. CyberDSA 2024 is vital for fostering partnerships and bringing together experts, leaders, and innovators worldwide. I applaud the dedication and vision of the participants of CyberDSA 2024 for their commitment to turning this international event into a reality.

CyberDSA'24 is expected to be a strategic meeting point for deep dive insights, encompassing the latest technological innovations, government policy development, threat intelligence, and risk management. This is not just an opportunity to enhance cyber defence and security, but also to strengthen the bonds among dedicated professionals and communities protecting our digital economies. I encourage and invite all participants to take this invaluable opportunity to interact, learn, and be inspired. The knowledge and insights gained at CyberDSA, is far more than mere information. It serves as a checkpoint to reinforce our commitment to support the development of a more secure digital world.

**Rear Admiral Dato' Pahlawan Mohd
Fadzli Kamal bin Mohd Mohaldin**
*Director General of Defence Cyber
and Electromagnetic Division*

I would like to encourage everyone to make the most of this opportunity to connect, learn and be inspired. I believe that participants will not only obtain the latest knowledge but a renewed sense of purpose, camaraderie towards the shared mission to better secure our digital space together. I like to acknowledge the friendship and connections that CyberDSA'24 will foster. Let us embark on this amazing journey together, embracing the challenges with the spirit of innovation and collaboration towards navigating tomorrow's cyber and digital frontier.

Dato' Ts. Dr. Haji Amirudin Bin Abdul Wahab
Chief Executive Officer, Cybersecurity Malaysia

The theme 'Navigating Tomorrow's Cyber and Digital frontier' underscores the conference's forward-looking perspective on the collective commitment to address the challenges together. It signifies our shared determination to navigate the complexities and uncertainties of tomorrow's digital terrain with resilience and collaboration. I am truly excited about the upcoming CyberDSA 2024 event that is scheduled 6 to 8 August 2024 and eagerly anticipate the opportunities that awaits for everyone. All the best and looking forward to meeting you all at CyberDSA 2024!

Ir. Dr. Megat Zuhairy Bin Megat Tajuddin
*Chief Executive,
National Cyber Security
Agency of Malaysia (NACSA)*

1 SPECIAL PROGRAMS AND ACTIVITIES

SPECTACULAR KEYNOTES & OPENING CEREMONIES

Get ready for a momentous start with two remarkable opening ceremonies! Join the grandeur of the CyberDSA 2024 and Siber Siaga 2024 Opening Ceremonies, where the Honorable Ministers from the Ministry of Digital and Ministry of Defence, alongside other industry captains, will take the stage to deliver compelling keynote addresses on pressing issues shaping the digital security landscape. Don't miss these landmark events!

FLASH TALKS

Don't miss out on the invaluable opportunity to delve into the latest digital security trends and strategies presented by top industry experts. Seize this moment to gain deep insights that can significantly influence your cybersecurity strategies and preparedness. This event promises to be a crucial gathering for anyone looking to stay ahead in the ever-evolving landscape of digital security.

DIGITAL TRANSFORMATION FORUM & NETWORKING SESSION

Experience engaging programs that spotlight accomplished personalities in the digital world, offering participants a unique opportunity to learn from successful individuals. Gain valuable insights and firsthand experiences as these experts share their journey and expertise, enriching your understanding of digital innovation and leadership.

MAIN STAGE CONFERENCE

Gather alongside industry luminaries, cybersecurity specialists, and forward-thinkers as they assemble to explore leading-edge strategies, exchange valuable insights, and confront the ever-evolving challenges of the digital realm. Engage in thought-provoking discussions poised to shape the future of cybersecurity, fostering innovation and collaboration across the field.

CLOSED DOOR BRIEFINGS

An arena where experts from diverse fields convene to delve into the intricacies of cyber threat intelligence. Participants engage in detailed discussions, exchanging valuable insights and specialised knowledge to tackle the evolving challenges in cybersecurity.

FOREIGN VIP DELEGATION PROGRAM

In partnership with Defence Cyber and Electromagnetic Division (DCED) and CyberSecurity Malaysia (CSM), CyberDSA ensures the presence of top-tier attendees from neighbouring countries, which involves offering exclusive invitations to hosted delegations representing the region and selected counterparts from various nations worldwide.

INTERNATIONAL BUSINESS MATCHING

The CyberDSA B2B program empowers companies by streamlining the process of discovering potential business collaborations. This initiative enables participants to efficiently identify and connect with key partners, facilitating the expansion of their market reach into the Southeast Asia region. By leveraging this program, businesses can forge valuable connections, explore new opportunities, and enhance their presence in this rapidly growing market.

2 INDUSTRY FOCUSED CONFERENCE

DEFENCE AND NATIONAL SECURITY

Discover latest innovative tools and technologies used to strengthen national security through the implementation of robust digital infrastructures, infostructures, networks and platforms.

PROTECTING CRITICAL INFRASTRUCTURE

In the evolving landscape of critical infrastructure upgrades, discover cutting-edge strategies and solutions aimed at protecting critical systems from service disruptions and the challenges caused by ransomware attacks.

BANKING AND FINANCE

As banks and financial institutions make their digital shift, delve into the profound insights into how experts leverage the latest technology to safeguard millions of financial transactions globally.

AI & DATA SECURITY

AI and Data Security are paramount in driving the digital connected world. However, the potential misuse of AI serves as a threat, as deepfake manipulation can cause biases to amplify social inequalities. As we navigate tomorrow's digital frontier, the urgency to fortify AI and Data Security needs to be addressed to protect our interconnected future.

DIGITAL INVESTMENT

Digital Investment explores the transformative impact of blockchain, AI, and data analytics on financial strategies and portfolio management. Join us at CyberDSA 2024 to discover new insights and innovative opportunities shaping the future of finance.

3 SPECIAL FEATURES

CYBER LABS / START UP PAVILION

Meet up with digital entrepreneurs and startups to explore market opportunities. The best platform for new companies to find investors and business partners.

VIP INDUSTRY LOUNGE

The VIP Industry Lounge stands as the hotspot for cybersecurity leaders, offering unparalleled networking opportunities. Exclusively tailored for CISOs, to network, collaborate, idea exchange and foster strategic alliances.

VISITS BY VARIOUS INSTITUTIONS & UNIVERSITIES

Meet inspiring new talents and enthusiasts who can shape the future of cybersecurity

HACKATHON

Participate in the Hackathon at CyberDSA 2024, where teams compete to solve cybersecurity challenges. Showcase your technical prowess, collaborate with peers, and innovate solutions in this dynamic event dedicated to pushing the boundaries of digital defence.

CYBER SECURITY COMMUNITIES

Cyber Security Communities at CyberDSA 2024 serve as the central meet-up point for engagement and collaborative activities among industry professionals, researchers, and enthusiasts. Join vibrant discussions, share insights, and forge valuable connections within these specialized communities dedicated to advancing cyber defense strategies and technologies.

STELLAR EVENT

ALONGSIDE CYBERDSA 2024

SIBER SIAGA 2024

Siber Siaga is an awareness program curated by Defence Cyber and Electromagnetic Division of Malaysian Armed Forces to promote the concept of Whole of Government, Whole of Society (WoGoS) where the community can engage and share insights in the field of cybersecurity and technology to enhance cyber awareness.

MALAYSIA CYBER SECURITY AWARD

The Malaysia Cyber Security Awards is created to honour individuals and organisations who contributed to Malaysia's cyber security or information security. The awards are conferred in recognition of their innovativeness, commitment, industry/product/service leadership, and sound business strategies.

The Malaysia Cyber Security Awards are intended not only to recognise the efforts of information security professionals, homegrown SMEs and global organisations, but also to encourage innovation and spark strategic alliances within the local security and ICT industry.

CYBER SECURITY AWARDS AND GAI

16 AUGUST 2023 | BALLROOM GRAND HYATT HOTEL, KUALA LUMPUR

ASEAN CYBER DEFENCE NETWORK (ACDN)

Malaysia will host the ASEAN Cyber Defence Network (ACDN) Meeting for the third time during CyberDSA 2024, highlighting its commitment to regional cyber defence collaboration. The meeting will focus on the ACDN Portal and a ten-year roadmap, with participation from the Defence Cyber Electromagnetic Division of the Malaysian Armed Forces and delegates from all 10 ASEAN nations. This event provides a platform for networking with industry leaders and engaging in CyberDSA programs, strengthening geopolitical ties and showcasing Malaysia's pivotal role in advancing ASEAN cyber defence strategies.

MILITARY, LAW ENFORCEMENT, INTELLIGENCE & SECURITY AGENCY (MEISAC) CONFERENCE

This conference will bring together top professionals and experts to discuss the challenges posed by advancements in AI, illicit arms trade, cyber warfare, and the sophisticated tactics used by adversaries. Attendees will gain insights into the latest methods for detecting deepfakes, countering disinformation, and conducting cyber forensics in the age of generative AI. By examining real-world case studies and exploring advanced tradecraft, participants will be better equipped to enhance their strategies and operational effectiveness in safeguarding national security.

CIO ROUNDTABLE

The CIO Roundtable at CyberDSA 2024 is an exclusive gathering for Chief Information Officers (CIO), Chief Technology Officers (CTO), and Chief Information Security Officers (CISO). This platform will enable industry leaders to engage in insightful discussions and share their perspectives on the evolving landscape of technology and cybersecurity, covering future trends and strategies to navigate upcoming challenges and opportunities.
