SYNERGIZING DIGITALISATION AND SECURITY:

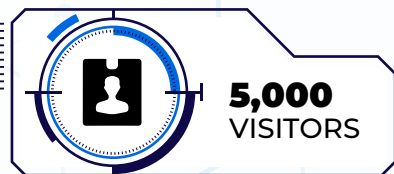

CYBERDSA 2023 EXPLORES COLLABORATIVE STRATEGIES FOR A SECURE FUTURE

CyberDSA 2023, the highly anticipated cyber digital services, defence and security event focused on advancing digitalisation and security through collaboration, is ready to open its doors from 15th to 17th August 2023 at the prestigious Kuala Lumpur Convention Centre. Under the distinguished patronage of His Excellency Ahmad Fahmi bin Mohamed Fadzil, the esteemed Minister of Communications and Digital, this remarkable gathering is set to shape the future of digital security.

Be prepared to be immersed in a diverse range of curated program, designed to engage, enlighten, and empower participants. The conference boasts a lineup of distinguished speakers, industry leaders, and subject matter experts who will share their insights, experiences, and innovative strategies. These thought-provoking sessions will delve into the latest trends, challenges, and opportunities in the rapidly evolving landscape of digital security.

Enhancing the main event, CyberDSA 2023 will be enriched by an array of satellite events, including the Siber Siaga Technical Lab, Malaysia Cyber Security Awards and Gala Dinner, ASEAN Cyber Defence Network (ACDN), and the 8th INTERPOL Digital Forensic Expert Group Meeting. CyberDSA 2023 strives to foster collaborations and synergies among stakeholders from various sectors, serving as a platform to network and forge strategic partnerships. CyberDSA 2023 is set to become a pinnacle event for professionals, industry leaders, and enthusiasts, offering an opportunity to shape the future of digital security.

SNAPSHOT OF CYBERDSA 2023

THE GOVERNMENT OF MALAYSIA EXTENDS

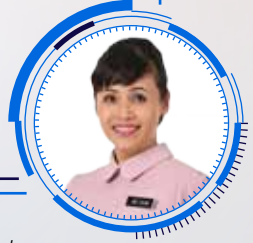

ITS UNWAVERING SUPPORT TO CYBERDSA 2023

A world class event like Cyber Digital Services, Defence & Security Asia (CyberDSA) is important, as it can connect us with the latest cyber security knowledge, technologies, applications, systems and solutions from around the world. One of the highlights of the inaugural CyberDSA is the roundtable session that will be held between the heads of cybersecurity agencies or counterparts in the region and I truly am looking forward to seeing the latest developments in this arena.

YB AHMAD FAHMI MOHAMED FADZIL
Minister of Communications and Digital

The theme "Advancing Digitalisation & Security Through Collaboration" could not be more fitting and appropriate as we work together to find solutions to the ever-evolving cybersecurity threats.

YB TEO NIE CHING
Deputy Minister of Communications and Digital

I am looking forward to Cyber DSA 2023, especially the segment on cyber defence as I trust that the new technological systems showcased will in turn inspire our people to innovate bigger and better things. I am also excited to meet other delegates to exchange ideas and plans that can help boost defence and security in our respective countries.

GENERAL TAN SRI DATO' SRI HAJI AFFENDI BIN BUANG RMAF
Chief of Defence Force Malaysia

I would like to congratulate the organiser of Cyber DSA and I wish all participants an engaging session over the three-day program. The outcome of this programme would enable everyone to further strengthen the foundation of Malaysia's cyber security landscape.

IG TAN SRI ACRYL SANI BIN HJ. ABDULLAH SANI
13th Inspector - General of Police, Malaysia

I implore all participants to work together to make CyberDSA a success, not only in 2023 but for years to come. Together with my colleagues and comrades in the Malaysian Armed Forces, I also look forward to meeting our counterparts from other countries to actively engage in high-level discourse and exchange. I applaud and salute the organisers and participants, and wish everyone every success.

REAR ADMIRAL DATO' SHAMSUDDIN BIN HAJI LUDIN
Director General of Defence Cyber and Electromagnetic Division Malaysian Armed Forces

The prestigious CSM global ACE award presented during CyberDSA 2023 is testament that Cybersecurity Malaysia truly recognises the people and organizations that have contributed towards advancement of the cyber defence and security industry. Together, let's all do our part in safeguarding our national cyberspace.

YBHG. GENERAL TAN SRI DATO' SRI (DR.) HAJI ZULKIFELI BIN MOHD ZIN (R)
Chairman, Board of Directors CyberSecurity Malaysia

CyberDSA is an extension of The CSM-ACE agenda, opened to the international fraternity. It is an invitation for global stakeholders to gather in one place to collectively serve as a catalyst towards driving tomorrow's cybersecurity agenda in a complex and multifaceted ecosystem.

DATO' Ts. DR. HAJI AMIRUDIN BIN ABDUL WAHAB FASC
Chief Executive Officer Cybersecurity Malaysia

5 MAIN HIGHLIGHTS

1 INDUSTRY FOCUSED CONFERENCE

Providing conference delegates with the latest and intriguing insights from industry leaders and hands on professionals

Defence and National Security

The defence and security sector demands robust and secure digital infrastructures that are resilient and difficult to penetrate. Come and learn what experts are doing to harden national security

Banking & Finance

Banks and financial institutions are going digital. Gain deep insights on how experts are using latest tech to secure millions of financial transactions globally.

Protecting Critical Infrastructure

As critical infrastructures are being upgraded and transformed, explore the best ideas and solutions that secures it from service disruptions and ransomware challenges.

2 SPECIAL PROGRAMMES AND ACTIVITIES

Executive tracks and Flash Talks

Conducted by hands on practitioners and professionals in the field

Closed Door Briefings

A platform for subject matter experts to discuss issues on cyber threat intelligence

Hacking Competition

Participate in South East Asia's largest hacking competition platform

Visits by Various Institutions & Universities

Special programme for young intellectuals to address skills and talent gap

CyberDSA 2023 Opening Ceremony

Witness the Grand Opening of CyberDSA 2023 officiated by the Minister of Communications and Digital, His Excellency Ahmad Fahmi Bin Mohamed Fadzil on Day 1, 15 August 2023.

Siber Siaga Opening Ceremony

Mark your calendars for the grand opening of Siber Siaga on day 2, 16 August 2023, graced by the Minister of Defence, His Excellency Dato' Seri Utama Haji Mohamad Bin Haji Hasan and Chief of Defence Force, General Tan Sri Dato' Sri Haji Affendi Bin Buang RMAF.

Celebrating Women in Digital Transforming Networking Session

Join Deputy Minister of Communications and Digital, Her Excellency Teo Nie Ching to celebrate inspiring women in digital transformation on day 2, 16 August 2023.

3 FOREIGN VIP DELEGATION PROGRAMME

CyberDSA works closely with DCED and CSM to ensure quality attendance from the neighbouring countries this include exclusive invitation for hosted delegation from the region and other counterparts from selected countries around the world.

4 CISO/ VIP LOUNGE

This exclusive space is dedicated to facilitating business discussions among distinguished Chief Information Security Officers (CISOs) and other VIP guests for the entire three-day event.

5 CYBER LABS START UP PAVILION

Cyber Pods with emphasis on promoting start up companies providing reliable and proven ideas to the marketplace. An opportunity to network, interact and grow small businesses in digital tech and innovation.

STELLAR EVENT ALONGSIDE CYBERDSA 2023

SIBER SIAGA
DEFENDING CYBERSPACE & NATION SOVEREIGNTY 2023

SIBER SIAGA TECHNICAL LAB

Safe cyberspace requires collaborative efforts and cooperation from all government agencies, private sectors, industry movers, cybersecurity practitioners and the general public. Siber Siaga technical lab is an awareness and exposure platform for cyber defence and security communities to meet, connect, collaborate & protect the cyberspace domain.

8th INTERPOL DFEG MEETING

Organised annually, a renowned global Digital Forensics Expert Group (DFEG) meeting is open to practitioners from law enforcement, government agencies, and invited digital forensic companies and academic institutions. The meeting provides a space for networking, sharing experiences, and updates on new technologies and techniques in digital forensics.

MALAYSIA CYBER SECURITY AWARDS AND GALA DINNER

The Malaysia Cyber Security Awards and Gala Dinner were created to honour individuals and organisations who contributed to Malaysia's cyber security or information security. The awards are conferred in recognition of their innovativeness, commitment, industry/product/service leadership, and sound business strategies.

LIST OF INVITED VIPs

Step into the future of cybersecurity at CyberDSA 2023! Esteemed VIPs from around the world, who served as counterparts to CyberSecurity Malaysia and Defence Cyber and Electromagnetic Division, are invited to this prestigious event. This exclusive gathering of cybersecurity VVIPs fosters innovation and collaboration, driving forward the latest advancements in the field.

CONFERENCE

The highly anticipated CyberDSA 2023 conference offers industry leaders and professionals an exciting opportunity to share valuable insights. With a vertical focus on Defence and National Security, Banking and Finance, and protecting critical infrastructure, this immersive event will feature an exceptional forums, high-level conferences, and an array of highly experienced speakers.

DAY 1

- Digital Transformation - Securely Full Speed Ahead
- Winning in the Face of Financial Cybercrime - A Collaborative and Data Driven Approach to Combating Financial Crime/Scam
- Addressing the Trust Deficit in Critical Infrastructure - Global Cybersecurity Risk Measurement and Transparency are Key
- Strengthening Cybersecurity Standards in the Digital Economy: The Crucial Role of Information Security
- Next-Generation Threat Intelligence: Harnessing Expertise for Effective Cyber Defense
- Innovations in Secure Identification: Impact on the Digital Economy

DAY 2

- Modern Digital Battlefield: Connectivity, Lethality, Autonomy & Sustainability
- Empowering Your Digital Fortress - Strategies and Best Practices for a Resilient Cyber Security Backbone
- Security Fabric, the Strategic Approach to Cybersecurity Architecture
- Defending Against Evolving Threats with Advanced Protection and Threat Intelligence
- Cyber Operations
- Unleash the Unstoppable Enterprise: Empowering Business Through Visibility in Complex Digital Ecosystem
- Securing the Digital Frontier: Innovations and Insights for Future Digital Landscape
- Adding Zero Trust Data to Defence Infrastructures
- Cyber Security as a Service: Enhancing Protection, Efficiency & Resilience
- Next-Generation Threat Landscape: Navigating the Evolving Cybersecurity Frontier

DAY 3

- Crime, Prevention and Generative AI
- The Need for Agile Policies, Regulation and Global Collaboration in Digital Security
- Ensuring Cybersecurity for Healthcare infrastructure: A Case for Vigilance and Resilience
- Unveiling the Shadow World: Navigating the Complex Landscape of Cyber Threat Intelligence
- Quantum Safe - Challenges and Opportunities
- Vulnerability Management: Trends and Challenges

SPEAKERS - INTERNATIONAL & LOCAL

Connect and listen to experts, practitioners, and thought leaders from across the industry and stay ahead of emerging threats and trends.

Renowed Speakers

The conference will feature an interesting range of speakers from different sectors and industries, providing delegates with the opportunity to learn from a diverse range of perspectives and experiences.

AVAILABLE FACILITIES

Organiser Office

The Organiser's Office located at Room 6M, Level 1 is operational throughout CyberDSA 2023.

First Aid Room

The First Aid Room is located at Level 3.

Exhibitor's Zone

All Exhibitors will be required to register at the Exhibitor's Zone located at Foyer Hall 6, Level 1 where they will also be able to collect their badges.

Muslim Prayer Room

Muslim Prayer Room is located at Level Concourse and Level 3.

Media Centre

Media Centre is located at Room 6M, Level 1. Only media with CyberDSA 2023 Media Badges will be allowed to enter and use the facilities provided.

Foods & Beverages

- Parkview Cafe @ Level 1
- Cafe 88 @ Ground Level
- Food court @ Concourse Level

Contractors Services

Exhibitors who require services of the official contractors may proceed to the Contractors Customer Service Counters located at Foyer Hall 6, Level 1.

Car Parks

Car park bays are available within KL Convention Centre located at Level concourse, P1, P2.

VIP/CISO Lounge

Only VIPs who have confirmed appointments may utilise the facilities to this lounge located at Hall 6B, Level 1.

ADMISSION RULES

Open to Cyber Security Industry Professionals, Executives, CISOs, Government Defence & Security personnel and invited guests only.

General public & minors below 16 years old will not be allowed admission.

Proof of a valid entrance pass (event badge) is required at the entrance.

Students from higher learning institutions are invited but prior approval must be sought from the Organiser.

Dress code: Working uniforms / business attire.

Please be aware that the Organiser reserves the right not to permit entry to any individual organisation or group at their discretion.

HOW TO GET TO KUALA LUMPUR CONVENTION CENTRE

LIGHT RAIL TRANSIT (LRT)

- Ampang Line & Sri Petaling Line

Drop-off : KLCC Station

Follow the directional signage that takes you through the Suria KLCC Shopping Mall. Proceed to the pedestrian tunnel that leads to the Concourse Level of the Kuala Lumpur Convention Centre.

DRIVING A CAR

Kuala Lumpur Convention Centre can be conveniently accessed through multiple routes including Jalan Ampang, Jalan P. Ramlee, and Jalan Kia Peng. Alternatively, you can easily navigate to the venue by searching for "Kuala Lumpur Convention Centre" on Google Maps or WAZE.

MASS RAPID TRANSIT (MRT)

Drop-off : Bukit Bintang MRT Station

Proceed to the Pavilion KL Shopping Mall from which you can access the KLCC-Bukit Bintang Walkway that connects you to the main entrance of Centre.

TAXI / E-HAILING

Catch a taxi / e-hailing from anywhere in KL and set for a drop-off at Kuala Lumpur Convention Centre

KTM (SEREMBAN LINE & PORT KLANG LINE)

Drop-off: KLCC Station

Ride to KL Sentral then Switch to LRT Kelana Jaya Line and stop at KLCC Station.

GO KL FREE CITY BUS

Drop-off : Suria KLCC Shopping Mall

Proceed to the pedestrian tunnel that leads to the Concourse Level of the Kuala Lumpur Convention Centre.

ACKNOWLEDGMENT OF SPONSORS

DIAMOND SPONSOR

TM One, the enterprise and Government sector business solutions arm of TM is the Diamond sponsor for CyberDSA 2023. TM one serves as a trusted partner to enable organisations achieve their next advantage today and tomorrow.

TM One's end-to-end managed services, vertical solutions, robust connectivity infrastructure, data centres, cloud, cybersecurity and smart services delivers the latest technologies to empower organisations, communities and the Government harness the power of big data and IR 4.0. Leveraging its professional services teams across Malaysia and Indonesia, TM One offers innovative value-based and sustainable solutions, aligning with TM's mission as the enabler of a progressive Digital Malaysia.

PLATINUM SPONSOR

TechCreate Solution Private Limited is on board as the platinum sponsor for CyberDSA 2023 - the leading cybersecurity event in Kuala Lumpur, Malaysia!

TechCreate Solution (TC) is incorporated in 2014 focusing on creating innovative payment and digital solutions. Throughout the last 5 years, the team has implemented multiple digital solutions with established Financial Institutions and Telco across the region. Some of these digital projects are related Payment Gateways and API Gateways, Blockchain and ASEAN QR Codes.

BAE SYSTEMS

BAE Systems Digital Intelligence is proud to continue its long relationship with the Malaysian Ministry of Defence and CyberSecurity Malaysia through the Platinum sponsorship of CyberDSA 2023. A trusted global organisation that is looking forward to the opportunity to collaborate with like-minded organisations to elevate the cyber security landscape across South East Asia.

GOLD SPONSOR

SatisGuard, the Gold Sponsor for CyberDSA 2023, delivers innovative Zero Trust Solutions that address some of the world's most dynamic security issues.

A highly driven company that is committed to solving our customers' pressing security and identity challenges guide us to this day. Using Zero Trust principles, SatisGuard helps IT move away from legacy network infrastructure to achieve modern workplace enablement, infrastructure reformation, and security transformation.

Kaspersky, a renowned global cybersecurity leader since 1997, proudly taking on the role of becoming a Gold Sponsor for CyberDSA 2023. Their expertise and comprehensive cybersecurity portfolio, including endpoint protection, threat intelligence, and Cyber Immune solutions, they continue to protect millions of users and organizations worldwide.

SecurityScorecard is proud to its position as Gold Sponsor for CyberDSA 2023! Their expertise in cybersecurity ratings and continuous risk monitoring brings immense value to its customers worldwide.

SecurityScorecard is the global leader in cybersecurity ratings and the only service with millions of organizations continuously rated. Thousands of organizations leverage their patented rating technology for self-monitoring, third-party risk management, board reporting, and cyber insurance underwriting. A customer-centric, solution-based company that transforming the digital landscape building, a path toward resilience.

SILVER SPONSOR

ENTRUST
SECURING A WORLD IN MOTION

Entrust, a renowned name in cybersecurity, takes center stage as a Silver Sponsor for CyberDSA 2023!

Entrust secures a rapidly changing world with an unmatched breadth of credential issuance and digital security solutions that enable trusted identities, payments, access, and data protection around the globe

Sunnic as the leading provider of comprehensive digital data security technology has proudly announce its participation as the Silver Sponsor for CyberDSA 2023!

Sunnic specializes in delivering data protection, cryptography key management and access control solutions to protect their customers critical assets.

CISO LOUNGE SPONSOR

Datasonic Group Berhad, one of the prominent security-based ICT solutions providers in Malaysia with track record in mission-critical national projects has taken on the distinguished role of the CISO Lounge Sponsor for CyberDSA 2023!

Datasonic pledges to continue to strengthen our core competencies and enhance our capabilities in pursuit maximum value for our customers by providing excellent solutions and services. Datasonic aspires to enrich people's lives through creative and innovative ICT solutions.

DIGITAL SERVICES PARTNER

Mastercard is the esteemed Digital Services Partner for CyberDSA 2023. With their expertise and innovative solutions, we are excited to enhance the digital experience of our event.

Mastercard is a global technology company in the payments industry. Its mission is to connect and empower an inclusive, digital economy that benefits everyone, everywhere by making transactions safe, simple, smart and accessible. Using secure data and networks, partnerships and passion, our innovations and solutions help individuals, financial institutions, governments and businesses realize their greatest potential.

With connections across more than 210 countries and territories, Mastercard builds a sustainable world that unlocks priceless possibilities for all.

MOBILE APPLICATION PARTNER

SION DEFENCE
A CYBER INTELLIGENCE COMPANY

Sion Defence is the Mobile Application Partner for CyberDSA 2023, providing an exceptional mobile app experience for all participants.

Sion Defence provide a holistic approach to cyber intelligence and security, covering all operational needs. With dedicated teams, specializing in different aspects of the cybernetic world, we provide cyber security consulting, cybersecurity-related intelligence, training, cyber-influence security, maritime cybersecurity, data fusion, and cryptocurrency intelligence.

ACADEMIC PARTNER

EC-Council is the official Academic Partner for CyberDSA 2023!. As a renowned institution in the cybersecurity field, EC-Council brings a wealth of expertise and knowledge to our event. Their commitment to fostering cybersecurity education and promoting industry best practices aligns perfectly with our mission at CyberDSA.
